“God is magnificent; he can never be praised enough. There are no boundaries to his greatness.” Psalm 145:3 (New International Version)

Dear Brothers and Sisters in Christ,

Grace and peace to you from God our Father and from the Lord Jesus Christ. We praise the Lord God for all He is doing in our lives and in the ministry here in Peru, for filling us with His precious Son, Jesus Christ. We hope that the Lord Jesus has been blessing you wonderfully during this past month, and that your life has been filled with His glorious riches and mercy. We are so thankful to God for you.

Our Peruvian brothers and sisters seem to be doing a great job with the ministry in our absence. We haven't been concerned that the ministry isn't going well, because we trust God to guide them to continue to do His will through his powerful Holy Spirit. The online discipleship ministry is advancing, and more groups are able to meet in person now, also. Betó started another discipleship group in our house on Saturdays, and there are seven people participating. In addition, there was a three-day workshop conducted in Sicaya on how to lead inductive Bible studies with the group that meets weekly with Ruben Salvatierra.

The discipleship with the Ashaninkas in the jungle is advancing. Bernabe visited a new Ashaninka community, Pamakiari, with the purpose of getting to know the people, possibly winning new believers, and to consider the possibility of discipling the people in this community. More and more Ashaninkas are becoming disciples and disciple makers, so we are so thankful to God for what He is doing there.

This month there was a small harvest of chocolate beans at the farm, and there will probably be another one soon. Cutting the undergrowth of the coffee and the four hectares of bananas was also completed. We appreciate the farm team, because they have proven to be trustworthy and hard working.

The past few months have been quite difficult for Darwin Davila. He had Covid-19, as well as his brothers. Darwin's throat and muscles were sore, and he had trouble breathing. After he received treatment he was weak and continued to rest in his house. He felt like he was in a spiritual war, because his brothers were still in the hospital, while he was recuperating at home.

When he went back to the doctor for a checkup, he was surprised that he was responding so well to the treatment. During this time of sickness, he prayed a lot to God, and he knew that many other people were praying for him too. He is very thankful to God for healing him, and he is now returning to participate and lead discipleship groups, as he has done in the past.

It was a great privilege for Arthur to be able to baptize Dr. John Furculow, who comes to Peru almost every year on a medical mission team. John had been christened as a child, but he felt like it was important for him to be baptized by immersion as an adult to be obedient to God's call. He really wanted to be baptized in Peru, but because of Covid restrictions we have not been able to have more medical mission teams come. We enjoyed sharing with him, but we were a little limited on time because he and his wife, Melisa, came down with Covid just before our arrival. Please pray that Jesus will continue to work through John and Melisa to further His Kingdom.

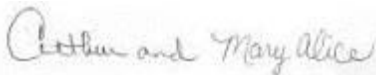

This month was a busy month for us, and we had the opportunity to meet with several of our supporters and are setting up times to meet with others. If you would like us to visit with you, just let us know, and we will gladly look for a time to share with you about the ministry in Peru. You can use the email address acivey@iveymission.org to contact us.

Prayer Requests and Praises for February

1. Please pray that God will continue to work through and encourage the Peruvian leaders in our absence, so that more and more people will come to know Christ and be free in Him.
2. In addition to his left eye, please pray that Jesus will heal Arthur's right knee and his hernia, both of which showed up during his last farm trip in October.
3. Please pray that God will give strength to Lúcio, Marcos, Jorge, and Manuel as they continue to work on the farm by taking care of the chocolate beans, coffee, and bananas, and for Beto as he directs the entire endeavor. Please pray that the Lord Jesus will give us an abundant harvest.
4. Please pray that God will use us to encourage our supporters, friends, and family while we are working in the states.
5. Please pray for Noemi, Edith Romero's sister, and her baby. In January the baby was born and got pneumonia, but Beto used this opportunity to present Christ to Noemi and her husband, Denjilo.

Please be in prayer for each one of our workers and for each one of the ministries and projects, the discipleship ministry, the evangelism and church planting ministry, the prayer ministry, and the work to self-sustain these ministries. Please pray for the leaders of the churches in Peru, and for their spiritual protection and growth in the Lord Jesus. Also be in prayer for Martin and Tracy Reeves, Paul and Kelly Wiegert, Tim and Jennifer Goshorn, and their families. All are missionaries with TMS Global that currently work in Peru. Please pray for our safety as we travel, and that we will boldly speak God's Word wherever we go.

We pray that Jesus will continue to give you hope to live each day for Him, and we also pray that God is drawing you closer and closer to Him every day. God bless you. We love you.
Yours in Christ,

Arthur and Mary Alice Ivey
TMS Global Missionaries to Peru

P.S. We praise the Lord Jesus for providing through each and every one of you during the year. As you may be aware, we are responsible for raising not only our own support, but the funds necessary to support the entire ministry here in Peru. We are working on raising funds for the Peru portion of the ministry for 2022 which is \$69,000. Thanks to your generous gifts, we have received 24.5% of this need. Any financial help you could give us, either in a onetime gift or monthly support, would be appreciated. Monthly gifts of \$50.00, \$100.00, or more are very helpful. Really, no amount is too small. Please pray that we can raise the necessary level so we don't have to reduce the ministries in the future.
