“Many, Lord my God, are the wonders you have done, the things you planned for us. None can compare with you; were I to speak and tell of your deeds, they would be too many to declare.” Psalm 40:5 (NIV)

Dear Brothers and Sisters in Christ,

Grace and peace to you from God our Father and from the Lord Jesus Christ. We praise the Lord God for all He is doing in our lives and in the ministry here in Peru, for filling us with His Holy Spirit to guide and direct each of our steps, and for pouring out His grace upon us through His precious Son, Jesus Christ. We hope and pray that He has been blessing you wonderfully during this past month and that your life has been filled with His glorious riches and mercy.

July was more of a relaxed month for us because we were able to stay in Huancayo the entire time. We were able to participate more fully in our weekly ministry activities like our Thursday night prayer group and Friday night discipleship. We had the privilege of praying with two young ladies from our Friday night group using the SOZO prayer methods. As always, it was a blessing to see these young ladies receive freedom and to hear what God told them as they listened to him.

We are thankful that Moisés and Arthur finished building the roof over our patio. Now they are just waiting for a hard rain to make sure that it works well. This will allow us to have space for group meetings and have larger groups than can fit into our living room right now. They also completed the testing on the cacao dryer and have been making refinements to the systems to create the final design for the construction of future dryers for the farm project. After the final design is finished, they will be taking the prototype dryer apart to take it to the jungle to be used to dry the cacao beans that are growing on the farm.

The farm is progressing much better now that Jorge Ayala has taken responsibility for managing it, and Lúcio has been taking care of and maintaining the farm. Grafting of the plants to create a better species for production and quality, is half done, and should be completed in

August. We are anticipating that initial production from the plants will begin to occur in the August to October 2016 time period. In addition to the cacao, clearing of an additional 10 hectares for planting coffee is in process. The coffee will take approximately two years to start to produce after it is planted.

Joshua had a great time while he was in the jungle working with Jorge Ayala and his team of missionaries in Puerto Anapati and Boca Anapati. He spent most of his time in Boca Anapati with David and Luis, where they disciplined Asháninka adults and children. Joshua said that he was very touched by the way that the national missionaries lived and cared for one another. He learned how important his time with God was, because he often had to teach without much preparation. Joshua returned to Huancayo in mid-July and is now teaching English to students in a local school here. He is enjoying teaching English, but seems to enjoy discipleship more. Thank you so much for your prayers for him.

Luis Ayala, Jorge Ayala's son, passed his exam to get into the Universidad Continental in Huancayo. He will be living with us and helping us with the work in Huancayo while he studies accounting. He is enjoying helping Moisés with the tests on the cacao dryer. Please pray that God will help him to adapt quickly to living in Huancayo and to studying in the university here. Also pray that God can use him in a great way in the university to reach others for Jesus.

We are very saddened that Richar Quinto, one of the Shoeshine boys that Arthur discipled for years, died of bronchial pneumonia. He was married with two young children. He was in his early 30's, and had developed his own company and was doing well transporting building materials. Please pray that God will give comfort and strength to his wife, Hayde, and the children, and that He will provide all their needs.

Richar and Arthur

On the joyful side, we attended the wedding of a young lady who is very close to us, Ita Hualcus. We have had the privilege of working with Ita through the years and watching her grow up. Her father, pastor Gonzalo, and his family have worked with us for many years leading Kid's Clubs and discipleship groups. Ita married Efraín, and the wedding was very nice. Please pray that God will give them a wonderful life together.”

Please be in prayer for each one of our workers and for each one of the ministries and projects, the discipleship ministry, the evangelism and church planting ministry, the prayer ministry, and the work to self-sustain these ministries.

Please give praise to the Lord for bringing us additional persons called to be part of the missionary team in Peru. Covenant with us to continue in prayer for the young adult leadership team. Please pray for the leaders of the churches in Peru, and for their spiritual protection and growth in the Lord Jesus. Also be in prayer for Martin and Tracy Reeves, Louise Reimer,

Theresa Anderson, Tim and Jennifer Goshorn, Paul and Kelly Wiegert, and their families. All are missionaries with TMS Global that currently work in Peru. Please pray for our safety as we travel, and that we will boldly speak God's Word wherever we go.

We pray that Jesus will continue to give you hope to live each day for Him, and we also pray that God is drawing you closer and closer to Him every day. God bless you. We love you.

Yours in Christ,

Arthur and Mary Alice Ivey
Missionaries to Peru

P.S. We praise the Lord Jesus for providing through each and every one of you. We had reached the monthly giving level that we need to sustain the ministry here, but the giving this month dropped by approximately 30%. Please pray that we can maintain this level through the coming months. If you feel led to help financially support the Peru ministry, you can give using one of the following links that will give you different options for giving:
