***"I know your deeds. See, I have placed before you an open door that on one can shut."***
***Revelation 3:8a (New International Version)***

Grace and peace to you from God the Father and from the Lord Jesus Christ. We praise the Lord Jesus for all He is doing in our lives and in the ministry in Peru**,** for filling us with His Holy Spirit to guide and direct each of our steps, and for pouring out His grace upon us through His precious Son, Jesus Christ. We hope that the Lord Jesus has been blessing you wonderfully. We are so thankful to God for you.

Ayme, who lives in the city of La Merced in the upper jungle region, came to know the Lord before getting married but she never had anyone to disciple her. Later she became distant from Jesus because she began to focus on other things. This year, her friendship deepened with Milagros, who invited her to a workshop in June of this year. This was a difficult time for Ayme because she was going through a crisis in her marriage; her husband abandoned her. Her suffering led her to Christ, and under those circumstances, Milagros took on the responsibility of guiding her to Jesus. Despite all her pain and fear, she made the decision to trust Jesus completely during one of Milagros' discipleship ladies' groups. Ayme has a strong desire to know Jesus more, despite all her pain.

Beto continues to use the website on Google to share many devotions, stories, and testimonies with anyone who wants them. He went to Miami for a month to see his precious children, Alejandra, Mateo, and Rodrigo. They are all doing very well. Mateo had a birthday in October, and he wanted Beto to be there in Miami to celebrate it with him. The discipleship groups that Beto leads are taking a break while he is in Miami, but the virtual groups and groups that meet in person that are led by other Peruvians continue to meet.

Beto shared with us while we were in Peru that the virtual discipleship groups and the groups that meet in person are continuing to grow in other countries. Genoveba, who was part of a discipleship group in Peru years ago, is now discipling her niece in Uruguay, and Rosario Guzman, started her own discipleship group in Miami. Her father, Raul Guzman, studied in one of the discipleship groups in Peru, too. Nelson and Gina have their own group in Florence, Italy. Isabella, who lives in California now, always reads Beto's devotions and shares them with people she knows.

Several relatives of Beto's are interested in studying the Bible more too. Marie Isabel, the director of Colegio Andino, and her husband, Samuel, are examples of some of these people. Saul is a Peruvian who lives in Santa Cruz, Bolivia who studies online with Beto. Praise the Lord that more people are interested in growing in their relationship with the Lord Jesus Christ and that more opportunities are opening in many places. God continues to open doors that no one can shut.

Beto shared a survey with the people that are being discipled now to encourage them to take on the responsibility of being a mentor for another group. In December, he will be meeting with those people who are interested or who are willing to do that. There is always a need for more discipleship group leaders.

He visited the leaders of the Quilcas church to find out how the church is really doing and to encourage them to participate in a medical campaign with us, which will hopefully take place from June 11th through June 19th. There are many details to work out for a medical campaign, but they are so fruitful because each person that is open will hear a personal gospel presentation from a Peruvian in the spiritual area.

In October the farm team finished clearing around the cacao. We went from excessive rain to two months of drought. The weather is so dry in the region around the farm that there have been many fires. One fire started in Saygon, which is a village near the farm. One day Marcos, the farm manager, saw the fire coming, and the team tried to clear a fire break above the cacao. The fire burned approximately twenty meters from where the cacao is planted. The next morning, it broke out again on another side of the cacao, but almost immediately, God sent a very heavy rain that extinguished the fire leaving the farm unaffected. Unfortunately, several neighbors in Saygon were affected by the fire. Marcos commented that the hand of God was over the farm. Marcos and the men on the farm are still working on constructing a new house for the team to live in, and Beto is still searching for a Peruvian to dig a well at the farm. The team continues to have to pump water from the stream and treat it to use for drinking water and for cooking.

**Prayer Requests and Praises for November**

1. Praise God that Arthur's knee is continuing to improve. Please pray that God will heal him completely from his colitis.

2. Please pray that God will put His angels around Beto and his family in Miami and that they will have a wonderful time together for a month.

3. Please pray that the participants in the discipleship groups will continue to grow and that Beto will have a good response from his survey of many people that want to start their own discipleship groups.

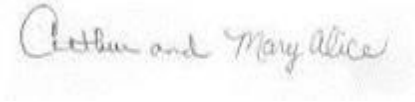

4. Please pray that God will give good weather to the area around the farm and that the cacao will grow well and produce a big harvest. Also, pray that God will give His wisdom and strength to the team, so that they will be able to finish constructing the house that they are building to live in. Last of all, pray that God will provide the needs of the people in Saygon who had damage from the forest fire.

5. Please pray against the increased violence by the Shining Path Terrorist in the VRAEM, the region where the farm is.

Please continue to pray for each one of our workers and for each one of the ministries and projects, the discipleship ministry, the evangelism and church planting ministry, the prayer ministry, and the work to self-sustain these ministries. Please pray for the leaders of the churches in Peru, and for their spiritual protection and growth in the Lord Jesus. Also be in prayer for Tim and Jennifer Goshorn, and their family, who are missionaries with TMS Global that currently work in Peru. Please pray for our safety as we travel, and that we will boldly speak God's Word wherever we go.

We pray that Jesus will continue to give you hope to live each day for Him, and we also pray that God is drawing you closer to Him every day. God bless you. We love you.

Yours in Christ,

Arthur and Mary Alice Ivey

P.S. We praise the Lord Jesus for providing through each one of you during the year. As you may be aware, we are responsible for raising not only our own support, but the funds necessary to support the entire ministry here in Peru. We are working on raising funds for the Peru portion of the ministry for 2026 which is $70,000. Thanks to your generous gifts, we have received 71.1% of this need. Any financial help you could give us, either as a one-time gift or monthly support, would be appreciated. Monthly gifts of $50.00, $100.00, or more are very helpful. Really, no amount is too small. Please pray that we can raise the necessary level, so we don't have to reduce the ministries in the future.
