***“Sing to the Lord, all the earth, proclaim his salvation day after day. Declare his glory among the nations, his marvelous deeds among all peoples. For great is the Lord and most worthy of praise; he is to be feared above all Gods.
1 Chronicles 16:23 (New International Version)***

Grace and peace to you from God the Father and from the Lord Jesus Christ. We praise the Lord Jesus for all He is doing in our lives and in the ministry in Peru, for filling us with His Holy Spirit to guide and direct each of our steps, and for pouring out His grace upon us through His precious Son, Jesus Christ. We hope that the Lord Jesus has been blessing you wonderfully. We are so thankful to God for you.

Beto came to know William and his family during the pandemic in the Pachacutec community where the farm is located. For a long time, he has been a friend that helped Beto with different things at the farm, but he was the biggest help with the bananas. During Beto's times at the farm, William has participated in many informal conversations that Beto had to encourage him toward the Bible and Jesus Christ. Even though his religious background was Catholic, he was always very respectful to listen and to spend time with him.

In January of this year William called Beto to share with him the critical situation that was happening with his family. His wife, Majori, had left him to go live with another man. Now, he raises his two children, Manitha and Maycol by himself. Also, he has lost his job and some investments. This process was very hard for him, but when Beto saw him last, William prayed to receive the Lord Jesus Christ into his life, and his joy and encouragement showed that something was happening with him.

The discipleship groups continue to meet and study, and there are about thirty groups and twenty-six mentors. The discipleship ministry is going well in the jungle in the Boca Anapati region, with Bernabe and Olga leading many Ashaninka workers to different Ashaninka communities. Over the past four years, Bernabe and Olga have led mission trips to twenty-two different Ashaninka communities to share the gospel and to disciple the believers! Many of these villages are not even on a map and haven't heard the gospel before. Bernabe always maintains contact with Beto. He continues to lead missionary teams with people from Boca Anapati and Yoyato, and they rarely ask for any help, except every once in a while, they need a little money for gasoline for their boat. Bernabe continues to take new people on some of these missionary trips.

Bernabe was discipled by Beto and Arthur, as well as some of the national Peruvian missionaries that used to live in the jungle. One time years ago, the community where Bernabe lived, Boca Anapati, didn't have much food, so Bernabe came and asked Jorge, "What should I do to get food?" Jorge told him that he should pray to the Lord, because He was the one who would provide food for the community. Bernabe prayed to the Lord. Afterward, Jorge found out that when he went hunting, God not only provided one pig, but two pigs. This increased Bernabe's faith significantly.

This month Beto and Joshua conducted a workshop for the new believers of several families that are a part of the discipleship group of Juvenal and Milagros in La Merced. The Salcedo Leon family started a discipleship group this year in which these families participate. Jesus seems to really be working in La Merced; one of the families was going through some really tough circumstances, but now they are studying the Bible. Denisa and Ayme are two people there who recently accepted the Lord Jesus in their life. Sara and Haydee help support these new believers in Christ.

Prayer Requests and Praises for September

1. Thank you so much for praying for Arthur's health. His knee is continuing to get better, and he can walk much easier than in the past.
2. Please pray for good weather at the farm so that there will be a good harvest of chocolate beans and pray that the team will be able to get rid of the disease that the beans have. Also pray that the profits will sustain the Peruvian ministry now and in the future. In addition, pray for God's wisdom for Arthur and Beto as they plan and pray about the future of the farm. Pray for wisdom and strength for Marcos and the rest of the team as they build a new shelter to live in. It is good that Lucio, Marcos' brother, is coming to the farm to help build this shelter. Pray for Beto to find a Peruvian who will dig a well there.
3. Please pray that God will continue to work through all the discipleship leaders and children's leaders to advance His Kingdom greatly and that Beto will be able to train many other Peruvian leaders to conduct the ministry.
4. Please pray for the new discipleship groups to continue to grow in Christ.
5. Please pray against the increased violence by the Shining Path Terrorist in the VRAEM, the region where the farm is.

Please continue to pray for each one of our workers and for each one of the ministries and projects, the discipleship ministry, the evangelism and church planting ministry, the prayer ministry, and the work to self-sustain these ministries. Please pray for the leaders of the churches in Peru, and for their spiritual protection and growth in the Lord Jesus. Also be in prayer for Tim and Jennifer Goshorn, and their family, who are missionaries with TMS Global that currently work in Peru. Please pray for our safety as we travel, and that we will boldly speak God's Word wherever we go.

We pray that Jesus will continue to give you hope to live each day for Him, and we also pray that God is drawing you closer to Him every day. God bless you. We love you.

Yours in Christ,

Arthur and Mary Alice Ivey
TMS Global Missionaries to Peru

P.S. We praise the Lord Jesus for providing through each one of you during the year. As you may be aware, we are responsible for raising not only our own support, but the funds necessary to support the entire ministry here in Peru. We are working on raising funds for the Peru portion of the ministry for 2026 which is \$70,000. Thanks to your generous gifts, we have received 59.6% of this need. Any financial help you could give us, either as a one-time gift or monthly support, would be appreciated. Monthly gifts of \$50.00, \$100.00, or more are very helpful.

Really, no amount is too small. Please pray that we can raise the necessary level, so we don't have to reduce the ministries in the future. If you feel led to help financially support the Peru ministry, you can give using the following link:
