**“I keep my eyes always on the Lord. With him at my right hand, I will not be shaken.”
Psalm 16:8 (The New International Version)**

Dear Brothers and Sisters in Christ,

Grace and peace to you from God our Father and from the Lord Jesus Christ. We praise the Lord God for all He is doing in our lives and in the ministry here in Peru, for filling us with His Holy Spirit to guide and direct each of our steps, and for pouring out His grace upon us through His precious Son, Jesus Christ. We hope that the Lord Jesus has been blessing you wonderfully during this past month, and that your life has been filled with His glorious riches and mercy. We are so thankful to God for you!

The gospel is continuing to spread and affect many Peruvians' lives. Alan came to know the Lord when he was a young man living in Tarma. He didn't have anyone to help him grow in Christ at that time, so he had a distant relationship with Jesus, and it was a religious life that was very comfortable to him.

Alan and Beto

During the pandemic on one of Beto's trips to the farm, he stopped in La Merced to meet with a group of brothers and sisters in Christ to study the Bible. Beto came to know Alan while he was studying the Bible with Alan's father-in-law and some of his family. Alan and his wife, Nitzia, have a hotel in La Merced, and many times Beto, us, and others have stayed in their hotel when we were on our way home from the farm. Alan and his father's family have worked in the coffee industry for years and export it through their company, "Highland Coffee," so Alan has provided Beto with some good information about how to care for the coffee crop.

During Beto's last visit to La Merced, he spent some time with Alan and his family encouraging them, because they hadn't met together in a study group for a while. Also, his daughter, Alanith, who is six years old, was suffering from dengue fever. Alan and his family were very encouraged by the visit, and Beto promised to visit with them again soon.

Arthur and Mary Alice took five days off and went to Hemlock Inn in Bryson City, North Carolina. They had a great time hiking some of the trails around Deep Creek and especially getting to visit with Taylor and Harrison DeJarnett, who are missionaries with TMS Global, that are currently working there now, and learning the hospitality business. It was nice to be encouraged by people that understand our hearts. Also, we enjoyed meeting their children: Lila, Lincoln, Lucy, and Livia. They are so cute! We are so grateful to the Lord for that special time.

This month there were about four hundred and eighty-five participants in the virtual study discipleship groups and the groups that meet in person. The groups have been studying the gospel of Matthew, the gospel of Luke, or the book of Revelation. Beto has written the material that was studied for the book of Revelation, and it is available for those who want it.

This month, the brothers and sisters in the Huari church invited new people to participate in the Wednesday night Bible study. Last year, a medical campaign was conducted there, and they have been trying to follow up with some of the people that participated.

In addition, Beto got together with Jheni, Rosmery, and Carmen to plan for a future Kid's Club in Sapallanga. In La Merced, he led a leadership workshop for an interested group of brothers and sisters who had been experiencing a lot of discouragement. They were very encouraged by what was done in the workshop.

In May the farm team began the big harvest of cacao. The coffee harvest has continued even though Jorge has struggled to get good temporary workers to help with the harvest. The bananas are continuing to grow well.

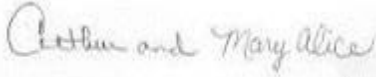

Prayer Requests and Praises for June

1. Continue to pray for Arthur and Mary Alice's health. We both have some more medical issues that need to be checked by doctors, but we are trusting God to take care of us.
2. Thank you for your prayers for Mateo, Beto's son. Praise the Lord because his attitude is improving. He has changed schools and is seeing a counselor to help him with his rebellion and to help him with his drug issue. Please continue to pray that God will free him completely and give Beto comfort.
3. Please pray that the Lord Jesus would continue to call persons to work with Beto in the ministry. As participation grows, we need more dedicated mentors to lead them. Also, pray that God would provide him a right-hand man, who can support him spiritually and with the ministry. We had this person in Pedro Duran, but the Lord Jesus took him home in 2020. It has been hard to find this person for Beto even though we have been looking and praying for three years now. Arthur has been filling this role until now, but it is not the same.
4. Please pray that everything will work out well for the medical campaign that will be conducted in August 2024. John Pearson is leading the medical team from Stonebridge Church. Also, September 2024 we will have a special medical campaign that will be all Peruvian. Dan Ross's team from Missouri will not be coming, but will be helping to fund the event.
5. Please pray that God would work in Manuel's life. He is Jorge's nephew and has been with us on the farm for many years. He is in his late teens. He has left the farm to go live in Tinkavini with a young Ashaninka girl. Tinkavini is an Ashaninka community not too far from the farm. Please pray that the Lord will work in his life to restore him.

Please be in prayer for each one of our workers and for each one of the ministries and projects, the discipleship ministry, the evangelism and church planting ministry, the prayer ministry, and the work to self-sustain these ministries. Please pray for the leaders of the churches in Peru, and for their spiritual protection and growth in the Lord Jesus. Also be in prayer for Tim and Jennifer Goshorn, and their family, who are missionaries with TMS Global that currently work in Peru. Please pray for our safety as we travel, and that we will boldly speak God's Word wherever we go.

We pray that Jesus will continue to give you hope to live each day for Him, and we also pray that God is drawing you closer and closer to Him every day. God bless you. We love you.

Yours in Christ,

Arthur and Mary Alice Ivey
TMS Global Missionaries to Peru

P.S. We praise the Lord Jesus for providing through each and every one of you during the year. As you may be aware, we are responsible for raising not only our own support, but the funds necessary to support the entire ministry here in Peru. We are working on raising funds for the Peru portion of the ministry for 2024 which is \$69,000. Thanks to your generous gifts, we have received 61.8% of this need. Any financial help you could give us, either as a one-time gift or monthly support, would be appreciated. Monthly gifts of \$50.00, \$100.00, or more are very helpful. Really, no amount is too small. Please pray that we can raise the necessary level, so we don't have to reduce the ministries in the future. If you feel led to help financially support the Peru ministry, you can give using the following link:
