***“The law of the Lord is perfect, refreshing the soul. The statutes of the Lord are trustworthy, making wise the simple. The precepts of the Lord are right, giving joy to the heart. The commands of the Lord are radiant, giving light to the eyes.” Psalm 19:7-8
(New International Version)***

Grace and peace to you from God our Father and from the Lord Jesus Christ. We praise the Lord Jesus for all He is doing in our lives and in the ministry here in Peru, for filling us with His Holy Spirit to guide and direct each of our steps, and for pouring out His grace upon us through His precious Son, Jesus Christ. We hope that the Lord Jesus has been blessing you wonderfully during this past month, and that your life has been filled with His glorious riches and mercy. We are so thankful to God for you!

Luz came to know the Lord from the teaching of Cirio Laurente, when he led a discipleship group in his house years ago in Huancayo. Since that time, Cirilo has passed away from Covid, but Luz is one of the legacies that Cirilo has left through his discipleship group. While Luz was studying in high school, she never imagined of all the things that she received from her family, that she would also come to have faith in the Lord Jesus. Instead of following the Lord only because her family was doing it, she had the opportunity to make her own personal decision to follow Him.

When she studied the Bible, it always filled her heart because she discovered Jesus in each story and passage of the Scripture. Studying in the discipleship group helped her to understand that all of the stories in the Bible led her to Jesus because He is the most important person to follow each day. Even though Cirilo isn't here to lead the discipleship group, Luz continues to study and learn from the Lord Jesus Christ. Discipleship is so important because the Scriptures refresh our soul, give us wisdom to live each day, give us joy and hope, and transform us.

Darwin Dadiva, the pastor in the Palabras de Vida Church in La Merced, has started a Kid's Club recently in this area with some of the sisters and brothers from the church. They are using the materials, puppets, and lessons that we gave to Darwin. Praise God! Please pray that all of the children and parents will come to know the Lord Jesus Christ.

The virtual discipleship groups are continuing to go well. Now the groups have an average of fifteen people, instead of fewer people. The groups that meet in person are continuing to enjoy learning about Jesus in the Scriptures too. Please pray that more of the participants in these groups will disciple at least one other person.

Beto went to Huancavelica to conduct an inductive Bible study with some youth from Antonella's discipleship group. During the mornings, the group studied the Bible, and in the afternoons, they visited some youth that they know that aren't coming to one of Antonella's discipleship groups. For the nights, they had open conversations about different topics and asked questions. One of the places that Beto and the youth visited was Martina and Kenye's house. Martina is pregnant and is having a risky pregnancy. As a result, Kenye is going to arrive in Huancavelica soon to care for her.

In the Pachucotec community, Beto, Jorge and Jennifer, the former farm managers, and the members of this community celebrated their anniversary. They especially celebrated the new medical post and all of the children who are going to the school now.

In October the cacao harvest was 11,000 pounds. While Beto was at the farm, the farm team and he worked more on house repairs, but they also cleaned and pruned the cacao. They did find someone to buy the banana leaves, which the team cut and packed last week. In addition, the team is building two new cacao dryers.

Prayer Requests and Praises for November

1. Thank you so much for praying for Arthur's health. It continues to improve as well as Mary Alice's health.
2. Please pray that Beto and other leaders will continue to be able to train other Peruvians to conduct the ministry and that the Lord would send him a good ministry partner.
3. Please pray for us for angels to protect us, the American team from Chosen Vessels, and the Peruvians who are coming to the workshop November 17th – 19th. Pray that God will protect us all from Satan's attacks and that the workshop will bear much fruit for the Lord Jesus Christ. Also, please pray that we will be able to renew our permanent residence cards quickly with no problems. Every five years we have to renew them in person.
4. Jorge and Jennifer, the farm managers, have decided to return to where they grew up in a small village, Caballacocha. Marcos, Jorge's brother, with the help of Manuel, his nephew, will be taking over as the manager. Please pray that God will give Marcos wisdom to be a very good farm manager.

Please continue to pray for each one of our workers and for each one of the ministries and projects, the discipleship ministry, the evangelism and church planting ministry, the prayer ministry, and the work to self-sustain these ministries. Please pray for the leaders of the churches in Peru, and for their spiritual protection and growth in the Lord Jesus. Also be in prayer for Tim and Jennifer Goshorn, and their family, who are missionaries with TMS Global that currently work in Peru. Please pray for our safety as we travel, and that we will boldly speak God's Word wherever we go.

We pray that Jesus will continue to give you hope to live each day for Him, and we also pray that God is drawing you closer to Him every day. God bless you. We love you.

Yours in Christ,

Arthur and Mary Alice Ivey

P.S. We praise the Lord Jesus for providing through each one of you during the year. As you may be aware, we are responsible for raising not only our own support, but the funds necessary
